Agreement Comments:

- This agreement is to serve as a contract between the Heart of the Valley Festival and the above named Vendor and is only valid for July 20, 2018 and July 21, 2018.
- The Vendor is to provide their own tent or shelter.
- Vendors must provide proof, where necessary, of insurance and/or licensing prior to the festival event.
- In an effort to minimize duplication of products, the Heart of the Valley Festival *may* ask the Vendor not to sell specific products if another vendor is providing the same service. This does not include drinks or sides such as French fries or potato chips. The Festival and its Committee will make every effort prior to the festival to insure that this does not occur.
- The Vendor will provide a list of volunteers and/or employees that will need access to the grounds during the event for purposes of gate admissions prior to event weekend.

I agree that neither the Heart of the Valley Festival, agent, employee or volunteers assumes any responsibility for personal injury or property damage suffered in connection with the Vendor and its employees/volunteers howsoever caused (including negligence) and agree to release such parties from any claims for such injury or damage.
